GSC Health Assist ZONE plans offer varying levels of health, dental, drug and travel coverage in a selection of bundled plans – at competitive prices.

Time to ZONE in on the plan that's right for you...

Individual Health & Dental Plans

ZONE plans equal valuable coverage at competitive prices

GSC Health Assist ZONE® plans are designed to cover the gaps in your provincial health insurance plan. And provincial plans differ a little from province to province.

That's why ZONE rates vary a bit depending on where you live.

There are three ZONE rate categories.

And so there's no mystery – here are the definitions...

Single: applies to the applicant only.

Couple: applies to the applicant and spouse/partner

OR the applicant and one dependent child under age 21.

Family: applies to the applicant and spouse/partner and dependent children under age 21.

Some additional details to note...

Rates are effective April 1, 2020.

Rates and/or benefits are subject to change; GSC will provide plan members with thirty (30) days written notice.

Rates are based on age of the primary applicant at the time of application.

Rates will increase as an individual's age increases in accordance with published age bands.

Effective April 1, 2020
