

OUR PLANS

Health Assist® ZONE

Health and dental coverage that goes wherever you go, for life.

ZONE plans offer the flexibility and confidence you need to deal with routine and unexpected health-related expenses.

Perfect if you haven't had health benefits before, or not for a while, and you're:

- Self-employed
- A small business owner
- Contract worker
- Working Freelance
- Part-time worker
- Seasonal worker

All ZONE plans include:

- Vision care
- Generous coverage for registered specialists and therapists
- Emergency medical travel coverage
- 24/7 legal advice, toll-free from anywhere in Canada
- Mobile-friendly online services
- Change4Life®
- No waiting periods and stellar customer service
- Lifetime coverage

Interested in prescription drug coverage, dental care or a combination of both? ZONE plans offer a selection of bundled benefits. Pick the one that matches your focus.

Health Assist® LINK

Seamless coverage for people whose group health benefits are ending.

LINK plans make it easy to enjoy the benefits of individual health coverage after your group health coverage ends.

Perfect if you are about to or have recently lost your group coverage through a career change such as:

- Retirement
- Job loss
- Switch to freelance
- Shift to part-time or working on contract

All LINK plans include:

- Guaranteed acceptance (no medical questions or exams!) as long as you apply within 90 days of your group employee benefits ending and GSC receives your initial payment
- Coverage for any pre-existing medical conditions you may have
- Coverage for prescription drugs, vision care, and registered specialists and therapists
- Emergency medical travel coverage
- Semi-private or private hospital accommodation
- 24/7 legal advice telephone service, toll-free from anywhere in Canada
- Mobile-friendly online services
- Change4Life®
- No waiting periods and stellar customer service
- Lifetime coverage

Interested in dental coverage too? 3 of the LINK plans also include varying levels of dental benefits.
